How to find us:

In a cab...

Not all cab drivers know Broadwall, so if not, explain it is just behind the OXO Tower, running between Upper Ground and Stamford Street. Broadwall is one way, so they can either drive down Stamford Street and drop you at the top of Broadwall; or go down Stamford Street, turn right into Hatfields, left into Upper Ground, and left into Broadwall.

By tube...

Blackfriars (District & Circle Lines): Across Blackfriars bridge, right into Stamford Street. Broadwall runs between Stamford Street and Upper Ground (see above).

Waterloo (Jubilee, Northern & Bakerloo Lines): Around the Imax roundabout and down Stamford Street, left into Broadwall. The OXO Tower is signed from Waterloo; follow the signs, Broadwall is just behind it.

Southwark (Jubilee Line): Up Blackfriars Road, left into Stamford Street.

By train...

Blackfriars: as above.

Waterloo: as above.

Waterloo East: Right into Greet Street, left into The Cut, left into Blackfriars Road, left into Stamford Street, Broadwall runs between Stamford Street and Upper Ground.
